

RoHS Compliance Statement

Product name: Ultrafuse® TPU 85A

Dear valued Customer,

This is to confirm that the following substances listed in the RoHS Directive (Directive 2011/65/EU as amended by Directive (EU) 2015/863) established maximum concentration values of 0.1 weight-percent for lead, mercury, hexavalent chromium, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), Decabromodiphenylether (Deca-BDE), Bis (2-ethylhexyl) phthalate (DEHP), Butylbenzyl phthalate (BBP), Dibutyl phthalate (DBP) and Diisobutyl phthalate (DIBP) and 0.01 weight-percent for cadmium, are not expected to be contained in our products because they are neither used as raw materials nor expected to be generated in the manufacturing process. Regular checks do not take place.

F o r n o t i c e: The data indicated above correspond to the state-of-the-art and refer to the state of the laws at the date of issue. It is the responsibility of those to whom we supply our products to ensure that any other existing laws and legislation are observed.

Disclaimer:

The declaration is exclusively for our customers and respective competent authorities. It is not intended for publication either in printed or electronic form (e.g. via Internet) by others. Thus, neither partial nor full publication is allowed without written permission by Forward AM Technologies B.V.. The aforementioned data or information is based on our current knowledge and experience. In view of the many factors that may affect processing and application of our product, these data do not relieve processors from carrying out their own investigations and tests; neither do these data imply any guarantee of certain properties, nor the suitability of the product for a specific purpose. Any descriptions, drawings, photographs, data, proportions, weights etc. given herein may change without prior information and do not constitute the agreed contractual quality of the product. It is the responsibility of the recipient of our products to ensure that any proprietary rights and existing laws and legislation are observed. This statement does not constitute the legally binding Safety Data Sheet.
